This collection of forms are required by the Montessori School of Pullman and Washington State Department of Early Learning to be signed by a parent or guardian and placed in each child's file at the time your child enters our school.

Please read and fill out all of the documents, **sign each one**, and verify that you have done so by **signing this page**. Copies of all of these forms are also available online on our website. Documents for new families are part of the Handbook, which is also available on our website. Return this signed set to the office or your child's teacher as soon as possible.
